

# THANKSGIVING IS FOR CHRISTMAS TOO

Aside from hard-to-find American staples, from Candy Canes to Crisco to Molasses, we also provide ready-to-cook turkeys, lightly smoked hams (ready to clove, glaze and bake, or fully prepared by us), cornbread and favorite holiday desserts. Please order in advance—we make everything from scratch and need time to organize. Kitchen and cooking accessories are still in stock and we're receiving weekly shipments of grocery products, like stuffing mixes, pecans, Jelly Bellies and other candies, mincemeat, etc. British staples and more Celestial Seasonings coming soon. Fresh yams, sweet potatoes, butternut squash, and cranberries are still available but going fast. For more details about our grocery products, click on Grocery tab on our site and the various categories on the yellow pad.
